## HE'S ON THE BUS

Dear *FOX*: You are my favorite reading material of all time, and I don't mean just in the bathroom, I bring a copy of *FOX* with me everywhere I go—to work, to the gym, on vacation and so on. I don't pull it out in public or anything as I don't want to offend the people around me. I know that some folks are ready to be face to face with the spectacular sluts of *FOX* Magazine, but I like to keep it on hand just in case the occasion ever should arise where I could introduce someone to its in-your-face splendor. Okay, so maybe I have pulled it out on the bus once or twice—and I wasn't looking to play some pocket pool as I was wrongfully accused of by that nosy

bitch! I just wanted to lift my spirits after a rough day. But ever since I was confronted by the driver I make sure to keep my *FOX* hidden away. But I am always ready, just in case. Just in case.  
—Pete in South Jersey via email

## AN X-RATED CONUNDRUM

Dear *FOX*: Sometimes I flip through my extensive collection of back issues (I have them all neatly filed away in storage boxes, going back to 2001) and try to figure out who is my favorite porn whore of all time. Is it Jill Kelly? Jewel De'Nyle? Audrey Hollander? Sasha Grey? But what I always discover is that I cannot choose! I fall in love with each and every one of them as soon as I begin to

stroke myself to their pics. And as soon as I shoot off, forget it. I am sold. But since I have jacked it multiple times to every single photo spread you have featured for over a decade now, I am in love with a shit ton of women. So how would it be possible for me to choose one and only one? I tell you it is a conundrum.—Vlad in MN

## SHE'LL COME AROUND

Dear *FOX*: My wife hates your magazine but I don't care. I used to try and share my love of pornography and especially *FOX* with her but she winds up accusing me of being a filthy pervert and then we fight and she won't put out for weeks and I'm forced to wank myself raw until she comes

33065

33213

around again. So I learned the hard way to keep my issues hidden away and then I can have my *FOX* and eat my wife, too, you know what I'm saying?—*B. in MO via email*

### WACKING LYRICAL

Dear *FOX*: I really hope nothing happens to your magazine, I have noticed that it does not come out as often as it used to and that makes me worried and unhappy. I miss the good old days when I could have a fresh new outrageous copy of *FOX* to enjoy each and every month of the year. I guess the world is changing. I hate looking at porn on the internet, it's not as intimate as looking a girl spread herself open and maybe get fucked over the course of a photo spread. That was I can pretend she's showing herself off just for me. With the internet who knows how many other freaks are watching her do what she's doing at the very same time you are. Not that I mind that other men jerk off. I am well aware of that fact but sometimes my attention gets shifted and then I begin

to obsess about the other guys I KNOW are out there pulling their puds at the exact same time I am pulling mine to the exact same girl doing dirty stuff online and I just go limp and can't finish the job which is especially frustrating for me. So I hope you stick around for a long time to cum, *FOX*.—*Billy in NV*

### MARTHA MY DEAR, ASS SEX!

Dear *FOX*: Do these porn girls really like to have ass sex? I know they all claim to dig it, but do any of them legitimately have an orgasm as a result of being penetrated in the asshole without having to rub on their clitties or whatever at the same time their assholes are being pumped full of dick? I am just wondering. I am in the midst of trying to sell the idea of ass sex to the woman I am seeing and I used *FOX* Magazine to illustrate my point that some women really do get off on getting fucked in the butt hole but she says that they are just pretending to make a quick buck and that no woman out there ever actually truly enjoys it. All I know

is that I sure enjoy it and I would really like her to give up some ass but this is a long work in progress so any advice you could give me would be greatly appreciated. Or even better still, maybe one of the porn chicks from your mag could dash off a quick letter to my girl assuring her that yes, they do indeed dig butt sex and encourage her to try it. Her name is Martha, thanks.—*Ronald in LA*

### THEY'RE UP ALL NIGHT!

Dear *FOX*: I miss the days when women used to go sun themselves and end up with lovely tan lines across their skin. I realize the sun is bad for you and all, but are there truly no women willing to pose naked for your magazine who sunbathe any more? I miss long, tanned legs leading up to a crisp white line where the bikini bottom was and then a thick, dark tangle of pubes covering up the sweet spot. That's what I'd sure like to see. If you can make that happen for me I would be very happy again.—*Ralph in OR*

Jessie Andrews, the girl with the golden muff, is as lovely as a doll but as dirty-minded as a whore. These contradictory charms did not go unnoticed by the studly, oversexed Rocco who wasted no time luring her back to his lair where he proceeded to help himself to all the enchantments her soft young body had to offer. He buried his face between her creamy thighs and got lost within the delicate creases of her peach, lapping up the nectar that oozed every time he tongued her clit. He marveled at her ability to open her mouth wide enough to swallow his cock whole, and he fucked her throat until his whole body throbbed with the need to feel the inside of her cunt. Rocco thrust his pud into Jessie from every angle, turning her into a quivering orgasmic mass. Then he bust a mighty nut all over her face and titties, frosting that angel like a cake.

SLUT 'N' PUPPET  
CASEY CALVERT, ALAN STAFFORD  
PIXX & ARTICLE BY JEFF HUBRIS

18

33351

Casey Calvert has a Bachelor of Science degree from the University of Florida, graduating with "top honors," she says, holding out until age twenty-one before humping the shark.

"I'm making up for lost time," she explains. "I waited until I was twenty-one because I wanted to be tied up when I lost my virginity so I waited until I found someone to do that. I had my first kiss at eighteen and then I didn't do anything with boys until I was twenty-one. I was watching porn when I was much younger until I got caught. I found my own porn. A friend came over to my house and showed me some gay porn and I'm like, *How, this stuff is on the internet?* I sort of went a little crazy and didn't know that I should clear the browser history. I got caught pretty bad. All kinds of porn. My friend showed me gay male porn but that's not what I was watching. I was watching more fetishy stuff."

We pornographic theoretical analysts can scour for clues to understand the workings of this Casey Calvert, bound to the sexual theater of subordination, submissive to the extreme. Naughty America director Shel Black asks if she has a black pencil skirt to properly portray the secretary stereotype for this boy/girl scene with Alan Stafford. She doesn't, saying that she scoured her wardrobe the night before looking for one but came up short on office clothes. A sufficient get-up is arrived upon and Black begins the brainstorming process that will produce a totally legendary plot summary, sure to stand on its own, supplying piles of fictional gossip for the fictional office workers in our fictional office standing around the fictional water cooler for years to come.

Here we go. Miss Casey has a very important file, the Johnson report, that she needs to email to her boss today or she's going to get fired. But her computer is down.

"It's always the Johnson report", Shel says.

Co-worker Alan will allow her to use his computer only if she shows her tits. She does so reluctantly but then needs to ask for the password.

"Suck my dick," he replies.

Ms. Casey is shocked!

"No," Alan Stafford says.

"That's the password, SUCK-MYDICK!"

Porn office scenario #7564938 is complete! GENIUS!

**CASEY:** It's just what I want. Having porn sex is acting. In my personal life there is always some sort of dominance and submission. I don't switch, I only sub. I have pleasure orgasms and I have pain orgasms. It's really hard to explain. But pleasure orgasms come from normal things that girls like, like sex and vibrators and dildos and stimulation. My pain orgasms come from hurting things. My pleasure orgasms I have a lot of control over my pain orgasm, they just come and they go and they go as fast as they come.

The first person to tie me up was a different person than the person I lost my virginity to but I did both on the same day. It was great. I went and got tied up and had a really good time and then my boyfriend at the time went back to the hotel room, did the deed and then he tied me up. I did not even put my own fingers in my pussy before I had sex. I was very sheltered. It never even crossed my mind that it would feel good. When I had my hymen broken the pain was fantastic, and there was a lot of blood all over that poor hotel room. My mom can never see this interview.

Of course my parents would have rather had me be a doctor or a lawyer, something more professional but they are being really great. My dad goes around and tells his friends that his daughter's a model. They are being really great about it but they know exactly what I do. I think it was harder for my mom when she realized I was a sub than when she found out I was making porn. I started out doing fetish modeling but then I started doing more risque things.

There are guys who think that being a dom is being an asshole, and it isn't. I did take it too far once and I learned my lesson. I know that I have to be very careful or I can take it too far very easily. I just have to be smart. I have to be extra safe. I think my mom probably wishes that I had a normal sexuality but I think that it's no different than being gay. It's just an alternative sexuality. It's been there my whole life. The therapy was my mom's idea thinking that I would say no and that I would never go to therapy. The first thing I said was yes please, I love to go to therapy. My whole life I've wanted to know why.

My therapist figured out that when I masturbate it's all in my head. It doesn't really matter so much what's happening in my pussy. I can come with no physical stimulation. I can just sit here and myself into an orgasm. I don't know how to describe what I do. I thought that everybody did that. I've learned that not everybody does that and that so many girls which they could do that. I only go to the therapist once every two weeks and I've only been a couple times. He's kink friendly.

Porn fucking office style, more often than not involves getting banged on a desktop which means knees and hip bones getting pounded uncomfortably onto a hard surface. This is showbiz though, an area where discomfort must be endured in order to deliver the final, top notch artistic product. In every business office all across this great land of ours, blowing somebody either physically or tactically is more often than not a perpetual reality.

Alan accepts a standing BJ, then one while sitting on his office chair. From that point on it's all about Casey in her stockings with bra pulled down to her waist getting banged on the unforgiving desktop. There are no complaints of course because by all reports, this is a girl who is not completely opposed to pain along with her dose of sexual behavior.

**ALAN:** Every girl has a different fuck face. You have a good one.

**CASEY:** I have a great fuck face. I think I look super pretty when I'm fucking. You do. Don't give me eye contact or I'll lose wood.

**CASEY:** When I masturbate I just use my hand. I also really like vibrators and dildos and every once in a while if I'm really, really horny and want to get off really, really fast I'll use one. I like to take my time when I'm by myself. I don't do pain orgasms to myself. It doesn't work. Like stubbing my toe doesn't make me cum. I like hitting. I like being hit with all sorts of things. I like things called zippers where they take a bunch of them and rip them off all at the same time. They really work. I love hair pulling, not so much for spitting.

I was really nervous the day of my first anal. I thought I was going to cry because I was worried that it would hurt so good that I wouldn't be able to be a porn star. I thought I was going to lose myself in the fucking and not be able to act. He told me that he wanted lots of talking and looking at the camera and I was so worried I wouldn't be able to do that but I thought it went pretty well. Getting fucked up the butt and the pussy are very different. I like them both.

I prefer smaller penises because when it's big I have pain orgasms and when it's little I can have pleasure orgasms and I'd rather have a pleasure orgasm if I'm with someone and making love. I love being romantic. I'm not just a pain slut. My romance might be different from what other people think is romance but it works for me.

I know I want to be here and do this for a while. I want to win some awards and to some really cool things and when I'm ready to retire I want to go back to school.

I like working out. I was a very big rock climber but I got very bruised and cut up but I can't show up on set like that. I like dance and reading. I just sort of go to the bookstore and pick books based on their covers.

I think I'm really susceptible to other people's energies. Without sounding super hippie dippy if someone's being very aggressive I really pick up on that quickly.

It's hard to suck cock and talk at the same time.

Alan does his best to control his load, a tall order due to the reportedly high quality slide factor of Casey's vaginal mucous membrane.

Before the pop, Shel asks if she swallows. Affirmative. He tells her to spin around and get on her knees to receive a facial cum blast then barks, "Alan, don't forget to aim!"

Stafford achieves his orgasm posthaste, avoiding landing any cum into an eye socket, with very little plunging time between the call for action and load dispersal.

"Your vagina is too tight young lady," Alan says. "I'm used to these blown out, cavernous caves. Stick some Coke cans up there or something."

Repeated "use" may have an effect upon a body part's changing configuration but personal genetics can also play a major role regarding the ever changing moods of an apparatus made for periodic modification like the very unpredictable female love tube. It's always a plus when you can feel her walls though, especially in an industry where cumming on cue, or for some, cumming at all can be a challenge.

"It's a good thing it wasn't cavernous before you got into the industry," Shel says.

Agreed. Vaginal stretchability is such a highly argued point. It's always good to start small and quiet because then you have someplace to go. If possible.

Conspicuously absent from today's bang out was sexual theatre that addresses Casey's admitted obsession with being darkly dominated. She delivered anyway, the nature of this porn scene being on the conventional side, but I need more info.

"I am seeing a therapist to try to find out why I'm like this because I really don't know," she says matter-of-factly. "My parents are paying for it. They've seen me with bruises and we're at that point now that that's okay. Of course they don't like it because I'm their baby girl. For me it's a big deal that they're not going to like just commit me. I've been trying my whole life to try to figure it out. I want to know. My whole life I've wanted to know. I had a fantastic childhood. I had the best childhood a girl could want. I was never molested. I grew up totally upper middle class. I guess I just like really naughty things."

# The Twitter Interview

By @Gabriel\_Lan

## Claire Robbins

When girls who turn out to be really special come into the adult industry, the phrases "one in a million" or "once or twice in a decade" are sometimes used to describe them. Well, Claire Robbins IS "one in a million"...times infinity! And she's fit that description on multiple occasions! Claire is what can only truly be accurately described as "the perfect woman." Extremely intelligent, stunningly beautiful, a playful, witty sense of humor, charm, a smile that can light up any room, grace, and down to earth humility...oh, and lest I forget, an undeniable sexuality rarely-to-never seen all in one package. Simply, Claire has it all. Everything you could ever want in a woman, plus a whole lot more. She's "all that" AND a bag of chips! Following a hiatus to finish college and pursue other career interests, Claire is back for another stint in the jizz biz. For one, I was a huge fan of her original work in porn. Somehow she has outdone herself this time around, although I'm not entirely sure if that's even possible. She was already a Spank Bank Hall of Famer. At the rate she's going now, Claire will be a double HOFer. While having only been back in porn for under a year, around 4,000 of her loyal fans have already found her on Twitter. As more and more fans discover this fact, that number will grow exponentially.

**@Gabriel\_Lan:** This is your 3rd stint in the adult industry, right? Is it more appropriate to say you're back from hiatus rather than from retirement? LoL

**@xoClaireRobbins:** I'd say this is my 2nd real stint back. The couple scenes I did here and there in college don't really count as a "come-back" in my opinion. It was just a scene every now and then when I needed some extra tuition help ;)

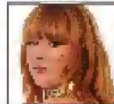

**@xoClaireRobbins:** I prefer the word hiatus though because I never thought I was truly done with the industry, which the word "retirement" implies.

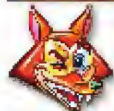

**@xoClaireRobbins:** It's very much a part of me and will be a significant part of my life forever, whether performing or directing or something behind the scenes

**@Gabriel\_Lan:** Is there anything in the works on that front yet? You making the move to directing as well I mean. Or some other aspect you'd like to be involved in?

**@xoClaireRobbins:** Nothing in the works yet! I am paying close attention to what other people do and am evaluating what I'd be good at.

**@Gabriel\_Lan:** I believe you already have your own concept for a new genre: Snuggling Porn!! Perhaps you should pitch that idea...?

**@xoClaireRobbins:** I have no idea who would green light Snuggling Porn. Maybe this will be my own project. It's pretty hilarious that it's so obviously a reflection of my own porn life fantasies. I just want to lay in bed and joke around.

**@Gabriel\_Lan:** What were you up to during your previous periods away from the industry? Finishing college or...?

**@xoClaireRobbins:** I went to college and got a BFA in Design. I then applied my degree to working as a studio manager, and then eventually designer.

**@Gabriel\_Lan:** So...still paying off student loans then? LoL What a scam...the interest on those things is ridiculous!!

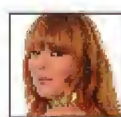

**@xoClaireRobbins:** Yeah, no shit! These things are outrageous. I can't believe how much I've spent just on interest! I'll be an old crinkly woman in a babushka by the time I have these all paid off.

**@Gabriel\_Lan:** How long did you work this "normal" job before realizing you needed to get more dick and vag back into your regular work day routine?

**@xoClaireRobbins:** I stopped working there at the end of November. After my first weekend of freedom, I decided I'd just get back to porn instead of looking for a design job. It was a spur of the moment decision, as my decisions typically are.

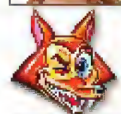

**@Gabriel\_Lan:** Did you find that most of your designs included phallic symbols, making it clear that you still had work to do in the adult industry?

**@xoClaireRobbins:** When you start making office furniture that looks like dicks, it's clear that you need to go back into the industry.

**@xoClaireRobbins:** Desks like dicks. Chairs like dicks. Credenzas like dicks. Shelving like dicks. Dicks everywhere.

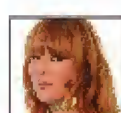

**@Gabriel\_Lan:** Do you think you'll go back to that field if you ever decide to "officially" retire from making porn?

**@xoClaireRobbins:** I'm still doing design stuff in my free time. It makes me happy. I see both design and the adult industry being my career for life. I'm a typical woman, I want it all. Why can't I have both, dammit?

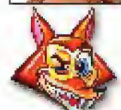

**@Gabriel\_Lan:** So, what made you decide to come back this time?

**@xoClaireRobbins:** What sounds better to you: working in an office for 14 hours a day, glued to a computer screen, with a barely decent salary...oh, and zero recognition for anything good you've done ever....

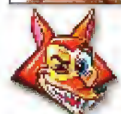

**@xoClaireRobbins:** Orrrrrrr...getting the living daylights fucked out of you by amazingly gorgeous, smart and funny men and women?

**@Gabriel\_Lan:** What, if anything, has been different this time around?

**@xoClaireRobbins:** A lot of things seem different but I don't know if it's just because I'm an actual adult this time around.

**@Gabriel\_Lan:** What is your favorite type of scene? Something where you play a role, or just straight to the fucking and sucking?

**@xoClaireRobbins:** I'm a simple girl. Let's just suck, fuck, and then come on my face.

**@Gabriel\_Lan:** I have to ask about the tattoos. That IS a compass used for geometry on your left forearm, right? What's the significance? And the capital "A" on your right side?

**@xoClaireRobbins:** That IS a compass. I'm a huge drafting nerd. The capital "A" is my scarlet letter. (The problem is I'm filled with lots of sin but zero guilt.)

**@Gabriel\_Lan:** I could literally spend hours saying complimentary things about you. What is the best compliment you've ever received?

**@xoClaireRobbins:** I once had a man I was seeing call me "absolute filth." He was English so you have to say it in an accent. It was really touching.

**@Gabriel\_Lan:** You are a huge Carl Sagan admirer, correct?

**@xoClaireRobbins:** YES YES YES. Yes I am.

**@Gabriel\_Lan:** Do you believe in extraterrestrial life then? Are we not alone in the universe?

**@xoClaireRobbins:** It's illogical to think there is only life on Earth. I don't think I've ever met anybody who thinks Earth is the only planet with life.

**@Gabriel\_Lan:** If you could have sex with anyone in history, how far up the list would Frank Lloyd Wright be? Above or below Carl Sagan?

**@xoClaireRobbins:** I would probably fuck Carl Sagan over Frank Lloyd Wright just based off personality. However, my ultimate historical lay would be Theodore Roosevelt.

**@Gabriel\_Lan:** Why is it they rarely to never mention him on "The Big Bang Theory" but they bring up Stephen Hawking all the time? WTF???

**@xoClaireRobbins:** I don't watch "Big Bang Theory" so this reference means nothing to me. I don't watch TV at all, really. I have a TV that literally only gets used when company comes over. I don't even have normal television going to it.

**@xoClaireRobbins:** I just have the Netflix streaming thing. TV's never really been a priority in my life. I'd rather sit back and listen to music while reading.

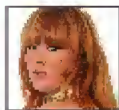

**@Gabriel\_Lan:** Follow up: What kinds of books do you like to read? Any particular genre or field of interest you gravitate towards when choosing a book or subject matter?

**@xoClaireRobbins:** I'm in this weird transitional phase of my life where I'm trying to branch out on the literary choices I make.

**@xoClaireRobbins:** I used to read only nonfiction. With nonfiction, I feel like if things are researched well or I feel like I've somehow learned something, I can get past shitty writing.

**@xoClaireRobbins:** With fiction, shitty writing is just shitty writing. There's nothing to get past because that is the point of it. In any event, I'm trying to read more fiction, which I spearheaded with a Classics plan.

**@xoClaireRobbins:** I'm reading all of those books that are apparently things everybody has read. I miss my facts, though.

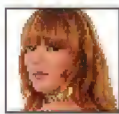

**@Gabriel\_Lan:** Why haven't you pursued a career in a scientific field yet anyway? You would easily be MY favorite scientist ;-)

**@xoClaireRobbins:** I would absolutely love to. I'm a huge R&Der, so if I could just research the hell out of things all day long, I'd be as happy as a clam.

**@Gabriel\_Lan:** Why someone hasn't thought of you for a porn remake of "A Beautiful Mind" is simply ludicrous....

**@xoClaireRobbins:** That just made me laugh so hard. Adam Goldberg is one of my "celebrity crushes" so I might have to rewatch that and imagine the XXX version. Wait...would I be John Nash? Are you calling me crazy?

**@Gabriel\_Lan:** Would you consider yourself "nerdy" in general?

**@xoClaireRobbins:** Yeah, pretty much. I'm a design nerd, though. It's a big difference. I geek out on architecture and materials. I go nuts for looking at how things are made and looking into various manufacturing technologies.

**@xoClaireRobbins:** That said, I can't math my way out of a paper bag. That's what calculators are for, silly.

**@xoClaireRobbins:** I'm a huge botany nerd, too. Here's a fun fact—I originally intended to go to college for forestry so I could become a park ranger.

**@xoClaireRobbins:** I can still so totally imagine myself wearing those rad green shorts and my little hat, telling people where to not get eaten by falcons.

**@Gabriel\_Lan:** Well, maybe we can talk someone into making a "furry" parody where you play Ranger Smith and Yogi and Boo Boo double team you..

**@Gabriel\_Lan:** You'd have the best of both worlds that way...don't ya think?

**@xoClaireRobbins:** That's sick and wrong, which makes me like you so much more.

**@Gabriel\_Lan:** Last year's Spank Bank Awards (sponsored by FOX) featured a tie between Missy Monroe and Audrey Hollander for "Cumback Performer of the Year" Is there added pressure to win knowing that you are the clear favorite for this year's award?

**@xoClaireRobbins:** I'm filled with immense pressure, certainly. Haha!

**@Gabriel\_Lan:** What do you look for in a guy? You don't strike me as superficial in any way at all. What's really important in a potential boyfriend?

**@xoClaireRobbins:** The most important thing to me is me feeling comfortable around them. I can be a hard nut to crack. If I don't feel comfortable with somebody, I will never truly open up to them.

**@xoClaireRobbins:** I absolutely require people to be smart and have an opinion about something. I also really love it when you can not talk to somebody. It's so refreshing when you meet a man that is okay with just sitting and enjoying your company without feeling the need to make conversation.

**@xoClaireRobbins:** Looks honestly aren't something I consider when dating, but I do have a definite type. What really makes me insane is BODY HAIR. I love it when men have a thick, luxurious coat of man fur. Arm hair! Chest hair! Back hair! Oh my goodness, I'm getting wet just thinking about it.

**@Gabriel\_Lan:** So, basically an intelligent stereotypical Greek architect with an enormous vocabulary would be like Kryptonite for you? LoL

**@xoClaireRobbins:** Oh my goodness. I think you just described my ideal man.

**@Gabriel\_Lan:** Since you have trademarked this phrase, please define "love at first fuck". How many times has this happened to you?

**@xoClaireRobbins:** Awwwww, love at first fuck. It's like when you could really care less about somebody, but they fuck you exactly how you like it. And the next thing you know you're planning the wedding in your head. It's only happened to me once. It was really precious. I guess everybody remembers their first, though.

**@Gabriel\_Lan:** Will you ever confirm or deny having purchased a slow cooker online at 2:45 AM?

**@xoClaireRobbins:** I will finally out myself and say that I did indeed purchase a slow cooker online at 2:45 am and now I can make delicious shredded meats for tacos.

**@Gabriel\_Lan:** How much effort and preparation does it take to have your panties match your shoes?

**@xoClaireRobbins:** I usually do it on complete accident. The inner design nerd of me makes it happen, whether I'm aware of it or not. I usually don't even notice until somebody else points it out. It's always really delightful when it happens, though!

**@Gabriel\_Lan:** Any idea what "code blue" means when being screamed by a TSA agent?

**@xoClaireRobbins:** I discovered (at PDX at least) it is NOT a medical emergency, as some people would probably believe. It's actually a possible security danger. Case in point: idiot man walking in through the exit instead of going through the security check. CODE BLUE, MOTHERFUCKER!

**@Gabriel\_Lan:** What is appropriate compensation for dog sitting for someone?

**@xoClaireRobbins:** If you ask my friends, it's a small wooden turtle that says "Hawaii" on it. I actually have my dogs watched by my friend all the time, which they do free of any charge, wooden turtle or otherwise. I usually try to make up for it by cooking a nice dinner or fixing stuff with my sewing machine.

**@Gabriel\_Lan:** You moved into a new place not too long ago. How are you getting along with your new neighbors?

**@xoClaireRobbins:** Oh goodness. My neighbors hate me. I have huge windows and am constantly walking around naked. I have extremely thick concrete walls, but I know they can hear me having sex when I have a male guest over. One morning, after a fairly wild night of living room sex (in front of those huge windows,) I ran into my next door neighbor.

**@xoClaireRobbins:** He's normally very nice and talkative. This fateful morning, he couldn't even look me in the eye. It was a little embarrassing, because I'm pretty sure I screamed out some weird shit that prior night.

**@Gabriel\_Lan:** Is this where you saw some guy walking a llama down the street? LoL what kinda neighborhood is this???

**@xoClaireRobbins:** I live in downtown Los Angeles, which is fucking weird in itself. I saw a man walking a llama when I was walking home from getting pizza. It was so strange it took me a couple moments to process what I had seen. That's part of the joy of living in a neighborhood that is so concentric on walking- you end up seeing the weirdest shit.

**@Gabriel\_Lan:** What is typical "after work" time like for you? What do you do when you're not in your "known pornographer" role?

**@xoClaireRobbins:** I hang out with my dogs. I read and listen to music. I'll wander around my neighborhood, look for cool junk.

**@Gabriel\_Lan:** When you 1st started in the industry there was no Twitter. Do you like Twitter as opposed to the old Myspace days?

**@xoClaireRobbins:** I love Twitter. It's just more fun. The nice thing about Twitter as a social media is that it's already a platform that nobody takes seriously.

**@xoClaireRobbins:** Its general use is to have fun. You get to rattle off your dumb little thoughts and post naked pictures. What I like most about it is how interactive it is. I love being able to respond to people's questions or having conversations with people I'd otherwise never meet. It's really great.

**@Gabriel\_Lan:** See this is reason #6937 why I adore you! You posted the hash tag #MeatCurtainMonday (LoL probably my favorite hash tag ever.)

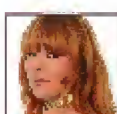

**@Gabriel\_Lan:** Are you a "fan" of meat curtains?

**@xoClaireRobbins:** That hashtag made me laugh so hard when I wrote it. That's why I love Twitter. You can say whatever stupid, funny thing comes to mind and it's to be expected. Meat curtains are rad. Vaginas in general are awesome and amazing!

**@Gabriel\_Lan:** Chastity Lynn, Lily Carter and you just to name a few are all from the Great Northwest. What is it about that region that produces such top notch porn whores?

**@xoClaireRobbins:** What makes me love making porn so much is the fact that I was raised to be comfortable with myself and sexuality. I've always been really comfortable with opening myself up to new experiences. :)

**@Gabriel\_Lan:** Have you convinced (Mark) Spiegler to start "Mandatory Spiegler Girl Hangout Sessions" yet? I personally think this a splendid idea.

**@xoClaireRobbins:** I think it's a great idea. We can get little sweatshirts made, I've planned this out. What it comes down to is that Spiegler Girls are all generally interesting and funny people.

**@xoClaireRobbins:** Unfortunately, I rarely see them outside of work related functions. It's so nice to be around them and just hang out, munch on food and talk. I need more of that in my life.

**@Gabriel\_Lan:** Are you in fact THE clumsiest person ever?

**@xoClaireRobbins:** I truly am. I fall everywhere. I was at a concert the other night and I was just standing still and fell down! I fell while walking at AVN and was mortified. I feel down the stairs in my apartment's lobby and literally hit every step. When people ask me if I feature dance, my response is "you don't want that liability!"

**@Gabriel\_Lan:** Like myself, you seem to be a fan of self deprecating humor. If you can't laugh at yourself...right? Helps you stay grounded too, don't you think?

**@xoClaireRobbins:** I wouldn't say that self deprecating humor is my ultimate jam, but if you can't see the humor in the stupid shit you do, I feel bad for you. Sometimes life just likes to remind you that you aren't awesome, and it usually decides to show you in some pretty hilarious ways.

**@xoClaireRobbins:** However, I also see the humor in the stupid shit other people do. I just think it's nice to be able to laugh at yourself (and others) in a light hearted fashion.

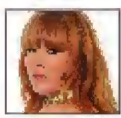

**@Gabriel\_Lan:** Having been called a "saucy cad" by you is easily one of the more fun things I've been called. It's in my Twitter bio LoL. Are you just a big flirt at heart? Are there many things more fun than silly flirting?

**@xoClaireRobbins:** Gazzman once nicknamed me Office Cat and I think it's pretty fitting. I'm a huge flirt, I love making people smile.

**@Gabriel\_Lan:** Besides being a humongous dork 80% of the time, do you have any other special skills?

**@xoClaireRobbins:** I'd say my special skills include, but are not limited to: Knowing precisely to the pound how much a dog weighs, making up ditties for people, and having an awesome sense of humor.

**@Gabriel\_Lan:** BTW, what does that make you the other 20% of the time?

**@xoClaireRobbins:** Normal?

There is nothing "normal" about Claire Robbins. She is extraordinary in every way.  FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim TURBO-D is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU WANT THE **SEX POWER OF A BULL?**

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

PIXXX & ARTICLE BY JEFF HUBRIS

After living abroad for a year or so, AVN Best Male Performer (2004) and AVN Hall of Fame inductee Michael Stefano is back performing and directing full-time for Combat Zone. In the porn heyday of the mid 2000's, he formed Platinum X Pictures with his then wife, performer Jewel De'Nyle, and proceeded to play a seminal role as a performer and director during the zenith of the gonzo porn era. His no-nonsense approach to sex scenes dispensed with scripts and unnecessary niceties, leaving just the pure sex in its aftermath. In these days of production-value behemoth porn extravaganzas, there is something to be said for this old-school approach. Stefano knows this territory very well.

Emily Kae, a lanky nineteen-year-old blonde from Sacramento, is getting into a yellow bikini that will suffice as her only costume for the afternoon. The set-up will be fast, wasting little time on the non-fuck part.

"This movie is all about teenage girls gettin' down," Stefano says. "Great sex, young girls. That's it. Nothing new is invented. I'm not trying to make an epic movie. Just good sex. Some wankable stuff. Cute girls, and I'm the guy that fucks them all, so it's great!"

Fellow Combat Zone director Juan Cuba will be shooting camera and stills. Stefano saves money on having to pay other swordsmen to bang the girls by doing it himself, which he would rather do anyway. Who wouldn't? All of this makes sense from a practical and, I guess you could say, *professional* point of view. Decent work if you can get it.

With plans to begin attending school to become a sound engineer next week, Emily, who previously has worked as a model and salesperson is on just the second sex scene of her porn career. As of now at least, she is not parading the customary exhibitionistic, sexually obsessed CRAZY history of early age sexual acting out.

"I'm more like a shy girl who has always had serious boyfriends," she laughs. "What really gets me off is if it's just me and someone else one-on-one. I'm all about the intimate, lovey-dovey kind of shit. Any type of romantic situation. Like a very couples, paradise resort kind of thing. Me and you on the beach and that's that, we'll see what happens or we're alone like at the house. I think of it like me and you."

Stefano shoots a short set-up out on a terrace that involves her being his daughter's friend. Daughter is late as she always is, so it's a perfect time for a massage from GF's dad. Her back is hurting and her boyfriend is a fuckhead. Classic.

He shoots the entire sequence POV holding the camera, including a BJ, then they move inside for a de rigueur couch bang out.

"Don't look in the camera anymore," instructs Juan. "You guys are going to fuck. Just fuck like you do at home, kissing and all that."

Stefano offers some fresh lube for her pussy and says to Emily, "It's just you and me now. We're going crazy."

She gets naked except for the yellow bikini top and climbs on for some couch cowgirl. This is going to be a high-quality bang out. Stefano stands up, still inserted and pounds the bejesus out of Emily in standing mish. They roll through the positions with no low points.

**EMILY KAE:** I'm from Sacramento. I lived there all of my life. I've been modeling for many years now. Doing a lot of glamour stuff and just got deeper into it and I wanted pay for college and I wanted to pay for myself. This is my second video ever.

Taking pictures and posing, literally comes very natural to me. I did modeling and I do sales. I'm just a normal little girl. I do freelance modeling and promotional stuff and I do sales and marketing and I'm going to school for music. I start on Monday. I love music and I want to become a sound engineer. I like modeling but my passion since grown into music more. I love it

Oh my gosh I'm very like shy about all this type of thing. I guess like kissing turns me on. The only way I can cum is when I'm talking. I did like one solo and I'm like, I don't do that. I masturbate here and there but I really never needed to. I've watched porn forever. For some reason I've always been into it and I think it's because I always knew I would be in it. I started watching porn a long time ago.

When I started porn it was weird but it's not weird because you just have to get over that. There is no point in making it weird. I'm sort of an exhibitionist but I wasn't really raised that way. I'm not way with myself, like privately or with someone else. You really wouldn't know me for being that way. It's kind of a dark side. Or not really a dark side, just the sexual side.

Oh man, I'm a very tough cookie. It takes me a long time to get off or whatever. I don't know why, it's always been like that. It's gonna take a while so you have to put in work. But if you do it and make me cum you're doing a good job. Lots of kissing, I'm very sensitive on my neck and my back area. I like it if you take your time more but if you don't have very much time a quickie is always fun.

When I'm on my stomach for some reason that hits the best spot or with my legs all the way behind my head. That's probably the one. I've tried anal a few times but it's just not me. I'm just not a fan.

My pussy is very tight. It's like God sent, I must say I always get complimented and it's so silly.

**EMILY:** I usually watch porn to get myself off. I start out on my stomach too, for some reason that stimulation is always good with me, it's always been that way. That's it.

I've never really experimented with masturbating that much. I've used toys maybe like once. I don't have them. I used one vibrator before. I've never needed them or wanted them but I guess if I had them I would see how they are.

I play a little bit of guitar, a little bit of piano, I play drums and I sing. I love heavy metal rock and rap. Two extremes, but that's all I listen to.

My parents know that I model and take my clothes off and take naked pictures but that's as far as they know, right now. If they eventually find out there's not much I can do about it now. It's just a decision that I decided to make because, if you're a girl in this day and age, it's a smart business move when you think about it and it's fun. It's a great job and I really haven't had any bad experiences so I'm just kind of testing the water and will see where it will take me.

If you were a girl and were good at something enough to get paid for it then you just have to kind of accept it and do it. That's what I mean by it being a good business move. It's not what I want to do. I'm not striving to be a porn star but I can make a lot of money, get a lot of connections. If you want to be out there then you have to be out there.

Take Marilyn Monroe. She's one of my biggest idols. To the public she was like a star. She would take pictures and do all of these crazy things. The way I look at it is in this day and age, what would Marilyn do?

It's a nice chunk of change. It's weird because it's not exactly what I pictured doing but at same time when you grow up and you're good at being sexy and taking pictures it's just kind of meant to be.

I just noticed now that one of my fingernails was off the whole time!

Newbie Emily Kae is a very decent fuck with a very bright future in the music industry. Now Stefano has an idea.

"After I cum and you push it out I'm going to ask, 'Emily are you on birth control?'" he says. "You're like, *NO! Oh shit, were going to have figure this one out later!*"

Emily takes the cream pie in spoon and Cuba zooms in to record the dribble factor as she pushes out Stefano's load. This was a seamless, thirty-minute continuous sex cruise with practically no stops and starts and no negative drama. No mess-ups, an unassuming, relatively new girl who came to fuck and a porn star dude at the very tip top of the A-team. Doing what I do, I sound stupid to myself when I heap on praise because it makes me gag and the only "suggestive counsel" I receive, if any, from the FOX editorial staff is to say whatever the fuck I want. Actually, to clarify things, just between you and me, we stopped caring a long time ago because people think we're crazy, loser perverts anyway. That being said, this is awesome, no bullshit porn. I love this Emily Kae because she is so the rangy, tall, blonde, genuine and unpolluted by porno, so far. Stefano makes it all look so incredibly easy. Just top flight, old school gonzo. The way it is. So rare these days. 🐱

It's tough for a gal to look classy with a huge cock pressed tight against her uvula, but somehow the supple-bodied Miz Breanne Behson manages to pull it off. She's certainly got a little sumthin' sumthin', a naughty sort of je nais se quoi, which causes her to emit an easy elegance even while engaged in the filthiest of sex acts. As stylish as she is slutty, Breanne nails looking lavish whilst getting nailed. Her tabas look delicious in that fancy gold lamé top, for example, like a couple of foil-wrapped Ferrero Rochers, the kind of high-caliber candy one only bothers to bust out on the most special occasions. Billy is one lucky bastard indeed to have been deemed worthy of sampling all her sweet treats. He plunges his tree stump of a prick deep into the heart of her honey hole until the time comes to cover her comely face with spunk. 🐱
